All you need to do is add this to your iPhone wallet

**Or**

add it to the Pass 2 U wallet on any android smart phone

## STEP BY STEP SIGN UP

Please follow these instructions to get setup in no time

Please go to

<https://server2.mysnapcash.com/orgin> or find the link at [mysnapcash.com/herschel](https://mysnapcash.com/herschel)

### Step One : Sign Up

On the web site => Top Right => Click Register

Fill in the info required **NB unique email and Mobile # required for each account**

You will then need to validate your email, an automated email has been sent to your email account ( check Spam/junk if you don't see it) Click the link

### Step Two : Log in

Once again visit the web site, this time click log in, top right (Book Mark this for future) using your log in name and password

First time log in will require you set up a security question - once done you will see your new Snapcash home page.

Please follow the instructions on creating a PIN # ( **NB !!!! This is essential** for use with your card at the tills)

Step Three : Complete setup - Once logged in you will see instructions on the following last few steps

- **Please** create a **PIN Number - This is essential !!!**
- Add a profile picture (or an avatar :)
- Add our mobile app to your phone !
